有關試後活動安排

Dear Parents,
各位家長:

To promote students' holistic development, the school has specially arranged a series of comprehensive life-wide learning activities for all S.1 to S.5 students after the exams. Please refer to the attached table for details, and kindly note the following reminders:

- (1) **Official School Days:** All students must attend the activity designated for their respective form on time.
- (2) **Reporting Time:** There are specific times for students from each form to arrive and depart from the school. Students are reminded to be punctual and report to their designated assembly points before the start of the activities.
- (3) **Leave of Absence:** Attendance of post exam activities is mandatory. If a student is unable to participate due to health reasons, a parent's note and/or medical certificate must be submitted to the class teacher by **16 July 2026**. Students should follow the schools' application procedure for casual leave.
- (4) **Inclement Weather Conditions:** In case of a red or black rainstorm warning signal, a tropical cyclone warning signal No. 8 or above is issued, or suspension of classes announced by the EDB, the activities will be cancelled. Please visit the school's website for the updated arrangements.
